ATTACK: 25/07/2019

Extinction Rebellion group calls off planned “drone disruption” of Heathrow flights

The UK environmental activist group Extinction Rebellion has officially called off plans to use drones to disrupt traffic at London Heathrow Airport. Still, the threat of “independent groups” carrying out illegal drone flights remains a possibility.

COLLISION: 26/07/2019

Drone comes dangerously close to jetliner over Gatwick Airport

A drone illegally operating over Gatwick Airport came within 20ft of colliding with a A360 passenger jet carrying 186 passengers at the time. If the device had collided with the aircraft, which was traveling at high-speeds, the results could have been fatal.

CONTRABAND: 15/07/2019

Flaming socks burn drone-sized holes in netting over prison courtyards

Smugglers are lobbing flaming socks over jail fences to burn holes in security netting at UK prisons – allowing drones to fly in and drop off packages stuffed with drugs and mobile phones.
