COLLISION: 09/05/2019

Drone sighting shuts down Frankfurt Airport

A drone sighting over the runway of Germany's busiest airport led to an hour-long shutdown in which over 100 flights were delayed or diverted. The incident sparked fears of soft drone attack similar to the one that closed down Gatwick Airport for nearly 3 days.

CONTRABAND: 10/05/2019

Canada beefs up anti-drone security around prisons

The Correctional Service of Canada has earmarked CA\$6 million to fund a number of pilot projects around the country aimed at detecting consumer drones flown near correctional facilities. Drug overdoses and crime are up in the nation's prisons due to a spike in drone deliveries of illegal materials to inmates.

SPYING: 09/05/2019

Unidentified drones appear to spy on Japan's new emperor

Tokyo police were on high alert after mystery drones were spotted hovering over the Imperial Palace following the investiture ceremony of the country's new emperor. Drone flights are illegal in Tokyo's center and especially over the Palace due to safety and privacy concerns.
