COLLISION: 03/02/2020

Frankfurt Airport closed after drone spotted in the airspace.

This is not the first time that flights have been suspended due to drone sightings at Frankfurt Airport. Last May, the airport was shut down; February 8 last month, it was shut down again in what authorities deemed a “targeted disruptive action.”

SPYING: 02/10/2020

The minister Di Maio spied in the middle of the night

For ten minutes an unidentified drone has been flying in the courtyard of the building near the minister's house. Take pictures inside? Films? Record sensitive data?
